

# Election 2020

*Real change starts with us*

*Auckland E tū election training, March 2020*

New Zealanders will be going to the voting booths once again this October, to decide who will form the Government for the next three years.

We need to make sure E tū voices are heard loud and clear in this election campaign - at home, at work, and in our communities.

We want to make sure the next government puts workers and our issues front and centre. Join us to win the change we need!
